Annex I

Qualifications and requirements

- Applicants for this position must have a university degree or equivalent professional qualification, comprehensive knowledge of the Harmonized System and at least five years' experience of practical issues relating to Nomenclature matters, in particular tariff classification, at the national level within their Customs administration.

- Applicants must have in-depth knowledge and experience of the Harmonized System. Specific experience in relation to Sections I to IV of the Harmonized System is highly desirable.

- Applicants must be proficient in drafting and speaking in French. A good working knowledge of English would be highly desirable. Knowledge of one of the WCO working language for HS matters (Arabic, Portuguese, Russian or Spanish) would be an asset. Knowledge of other languages (written and spoken) would be advantageous.

- Excellent oral and written communication skills are essential.

- The candidate should have shown within their national administration the capacity to assume responsibilities equivalent in level to those carried by the post offered.

- The candidate should have the background and experience to be able to:
  
  - work independently with limited personal supervision;
  - work effectively in small teams and groups;
  - respond flexibly to changes in priorities and requests for work; and
  - meet deadlines.

- It is a requirement to be able to interact appropriately and effectively with a wide range of people from across the WCO's global membership and from other international organizations, so excellent interpersonal skills and the ability to work in a culturally diverse environment is essential.

- This role includes capacity building work and the candidate should have sound abilities in training. This also requires the ability to identify problems and solutions and to be able to think and interact strategically and innovatively while exercising sound judgment.

- Research and analytical skills and the ability to write understandably on technical subjects are also key skills.

- Applicants are expected to be able to work with Microsoft Office software.

- The successful candidate will be required to behave in a manner consistent with the WCO's values and Code of Conduct during their contract and applicants will be expected to have demonstrated such values and conduct over their work history.
