Dear *Chief Commissioner / Director General,*

**Subject: Achievement of Revenue Targets for the Financial Year 2014-15-regarding**

As you know, a challenging revenue target of Rs 5,40,703 crores (RE) had been allocated to this Department for the Financial Year 2014-15, which was 9.1% higher than the actual collection during FY 2013-14. This appeared quite an onerous task considering the trend of recovery during the first 9 months of the financial year and the slower growth of manufacturing and services sector in the country. Besides, the smooth functioning of the field formations was also impacted during the year due to implementation of cadre restructuring in the Department. However, the Department accepted this daunting challenge with full vigor and enthusiasm and undertook a number of measures to augment and mobilize additional revenue in a focused manner.

I am extremely happy to inform that the efforts have yielded positive results and we have been able to not only achieve the RE allocated to the Department for FY 2014-15, but to even surpass the same. This has been possible only due to the unwavering commitment and exemplary zeal shown by you and the officers and staff of your Zone/ Directorate for achieving the targets given to the Department.

I congratulate and compliment you and your officers and staff on this achievement and hope that the same level of dedication and commitment is exhibited in future also. I am sure that with the support and cooperation of all of you, the Department will continue to excel and will achieve greater heights in the face of all impending challenges.

With *best wishes.*

Yours sincerely,

*Kaushal Srivastava*
