Date: 18th April 2013

Mr. A.V. Koundinyan,
General Manager,
Platinum Account,
O/O Chief General Manager,
Bharat Sanchar Nigam Limited,
Karnataka Circle,
No.1, Swamy Vivekananda Road, Ulsoor,
Bangalore-560008

Sir,

**Sub: Augmentation of Bandwidth of VPNoBB connection at CBEC's Range offices -
Regarding:-**

M/s BSNL have provisioned for VPN over broadband connection at all stand alone Range offices under Central Board of Excise and Customs for their connectivity to the Data Centre at New Delhi.

2. The type of connectivity provided by BSNL at these Range offices is of 128 Kbps and 256 Kbps respectively as per the requirement of the office and the payments for the same is being collected by the local BSNL office from the Range offices.

3. Since launch of ACES application the work load and staff at offices have increased, therefore, an augmentation of the bandwidth upto 2 Mbps for the existing/new VPNoBB connection is required at Range offices on requirement basis. The rates for the increasing bandwidth upto 2 Mbps have been shared with this Directorate by BSNL vide email dated 1st April 2013. The payments related to increased bandwidth may be collected locally by BSNL from the Range office.

4. Therefore, M/s BSNL may augment the VPNoBB connection at the Range offices on requirement basis without affecting or making any changes in the existing CBEC domain name.

Your's Sincerely,

(Signature)
(O.P Kimothi)

Superintendent (WAN)
