D.O. DP/DTP/1/2017

Dear Colleagues,

DGTS has already initiated the exercise to update SAMPARK, in view of reorganization of the CBEC consequent upon implementation of GST.

2. I may inform that the Board has proposed to develop a mobile Sampark app which will contain the telephone directory of the CBEC formations as presently appearing in the Sampark. Mobile app will be launched during the Rajaswa Gyan Sangam to be held during 1st – 2nd September, 2017.

3. In order to develop and launch the app, the data of contact details is required to be updated urgently. In this connection, the format has been developed in which the data needs to be furnished (enclosed). Even the formations which have submitted data already for updation of SAMPark, should submit the data in the revised excel format enclosed.

4. It may be noted that access to be database of the Mobile app being developed will depend on the Mobile number indicated in the database. Hence, the officers may be advised to indicate/include their mobile number in this database.

5. Keeping in view the limited time left, I request you to look into the matter personally and furnish the data to DGTS at email dgtsampark2018@gmail.com by 24th August, 2017 at 12.00 PM positively.

With best wishes,

Yours sincerely,

(S. Ramesh)
