Swachhta Pakhwada
from 16th to 31st January, 2018
Delhi Customs Zone
Clean Customs

- During Swachhta Pakhwada, hygiene and sanitation remained at the core of activities by officials from New Custom House, wherein officers including Joint Commissioners, Deputy/Assistant Commissioners swept the area in and around NCH building.

- A road between New Custom House gate and Air Cargo Terminal gate no. 6 was adopted for cleanliness and officers/staff members of New Custom House including Assistant Commissioners raised their handcuffs to contribute to “Swachhta hi Sewa” campaign and cleaned the whole stretch.

- Air Cargo Complex (Import) has renovated all the washrooms in NCH building and created disabled-friendly washroom at ground floor for the use of persons with disability.
Old and used furniture lying in the basement of NCH building has been cleared.

On the lines of Digital India and as an initiative towards paperless work, digitization of files of General Commissionerate is under progress. It will not only preserve the old record but will also make it readily available.

Safekeeping of official records is priority for this office for which records warehousing is under progress.

The staff members of ICD Sonepat along with those of Custodian of ICD cleaned up a long stretch of Railway Line in the vicinity of ICD, Sonepat.

Saplings were planted in the Sarvodaya Co-ed Vidyalaya, Mehram Nagar (East), New Delhi by the officers from Delhi Customs Zone.

Officials of Air Cargo Complex (Import) planted 1001 saplings in the Import Shed area.

Plantation of saplings in and around the office building and also at Rani Jhansi Sarvodaya Kanya Vidyalaya, Railway Road, Tughlakabad was undertaken by the officers/staff of ICD, Tughlakabad.

Officials at ICD Patli undertook plantation drive for creating peaceful and aesthetically pleasing environment.

Trees were planted outside ICD Ballabgharh near railway line on public land.
New Custom House is in the process of developing a Bio-gas plant for 100 kg waste per day. The wet wastes arriving out of the canteen inside the NCH building on daily basis will be fed to the plant and decomposed waste would then be converted to the bio-gas and same will be carried to the canteen kitchen for cooking. Further, the residue which accrues after the conversion of waste into gas can be used as manures for plants. **Thus, the project ensures disposal of waste, maintenance of hygiene, creating wealth out of waste, energy efficient measures, clean fuel and above all good aesthetic ambience of the building.**
b. **Adoption of a School:**

- A Sarvodaya Co–ed Vidyalaya, Mehram Nagar (East), New Delhi has been adopted wherein the flooring in eight washrooms was tiled, water pipes were replaced and concealed and the commodes in all washrooms were replaced. Also, a 300 litre capacity water cooler with attached RO facility has been installed for the use of students. Also, a sanitary napkin vending machine has been installed in the school for the use of girl students.

- ICD, Tughlakabad adopted a Govt. Sarvodaya Vidyalaya Boys School No. 2. They undertook renovation of washrooms in school, providing safe drinking water to students by installing ROs.
AWARENESS ON SWACHHTA

To spread the message of Swachhata in the society and to make people aware of benefits which accrues from clean environment, Delhi Customs Zone organized

- Various competitions which include painting and easy writing competition on the topic “Swachh Sankalp se Swachh Siddhi” at NCH and ICD, Patparganj. Even the wards of the officials participated in the painting competition. Winners of these competitions were awarded.
‘Nukkad Natak’ on the theme ‘Swachhata’ at the New Custom House by the girl students of Sarvodaya Co–ed Vidyalaya, Mehram Nagar (East), New Delhi. The inspirational yet entertaining ‘Natak’ highlighted the do’s and don’ts to maintain the cleanliness and hygiene.

Slogans for ‘My contribution in Swachh Bharat’ were prepared by the officers of Delhi Customs Zone and they are as follows:

“स्वच्छ भारत – मेरा अभिमान,
मेरा सम्मान, मेरी शान ।
प्रगतिपथ पर हो देश गतिमान,
हर मन में हो बस ये ही गान ॥”

By Dr. Kavita Bhatnagar
Commissioner of Customs (General)
“स्वच्छता हमारा संकल्प है – चाहे वह हमारा कार्य क्षेत्र हो या कार्य प्रणाली”
(Cleanliness is Our Resolve– Be It That of Our Work Place or Way of Working)

By Shri Avinash Pushkarna
Additional Commissioner, ICD, TKD (Exp)
