F.No: IV(24)/29/2016-Systems/

Dated: 09th January 2018

To,
All Chief Commissioners of Customs,
All Commissioners of Customs

Madam/Sir,

Subject: Site Survey for ICETAB implementation at Customs locations- reg.

Under Project Saksham, mobility devices (ICETABS) were procured for Customs locations to make customs workflow paperless and enhance the security. The purpose of these ICETABS is to provide access to the ICES and E- Sanchit application hosted on CBIC network. These devices are meant for Officers working in Examination section who are mobile and require connectivity in the shed area.

2. As part of the solution, these ICETABS will be integrated with Wireless solution for connectivity and accessing CBIC network.

3. In order to check the feasibility of network and placement of wireless devices, M/s HPE and their partners have been authorized to carry out a survey at Non-custodian locations which are covered under the scope of Project SAKSHAM (where infrastructure has been implemented by DG Systems). In addition to the survey, sites are requested to share the requirement details as per attached Annexure A by 15.01.2019 positively.

4. You are requested to kindly allow the team to carry out the survey and appoint a representative officer from the department to help the team understand the site requirements and identify areas where the examining officers carry out their daily activities.

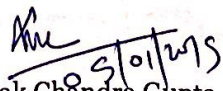

5. For Custodian locations, where infrastructure is provided by private party custodians it is requested to share the Mobility device requirements as per attached Annexure A.

6. In case of any queries/clarifications, you are requested to write an email to cbec.lanwan@icegate.gov.in

7. Kindly share filled Annexure A at cbec.lanwan@icegate.gov.in as per the above mentioned timeline.

Encl. as above

Your faithfully,

Vinayak Chandra Gupta
Additional Director General
(Systems)

ANNEXURE A

Information for ICETAB connectivity in examination/Shed area at Custom Location

S.No.	No. of Sheds/ Yards at Location (A)	No. of PO/ Inspector deployed for Inspection/ Examination per shift (B)	No. of ICETABs required for PO/ Inspectors (refer column B) (C)	Wi-Fi Connectivity available in examination yard / Shed at Custodian Location (Yes/No) (D)	Mobile Internet Connectivity available in examination yard / Shed at Custodian Location (Yes/No) (E)	Name of all Mobile Internet Service providers having connectivity at location (F)	From Column (F) Name the Mobile Internet service provider with best internet connectivity (G)	Name of Systems Manager (H)	Mobile no of Systems Manager (I)	Email id of Systems Manager (J)
