Annexure- A

Eligibility criteria for AMC Vendors:

Reputation of the Vendor:

1. The company/firm/enterprise (hereinafter called the 'Company' or 'Vendor') intending to bid for the tender shall be a reputed organization in the field of UPS for the last 5 years.

Past record of Vendor & Client information:

2. The Company, preferably, should have undertaken AMC for at least one Central Government Department / Public Sector Unit (PSU), for a minimum of three years during **2017-18 to 2019-20** in Tamil Nadu.

3. The Department reserves the right to cancel the vendor's bid/agreement, if any information provided by the vendor is found unverifiable or untrue during the selection procedure or the AMC period.

4. This Commissionerate shall have the right to inspect company's site to assess their infrastructure before awarding the AMC and may reject the bid in the event of dissatisfaction of the Commissioner, about the applicant-vendor's infrastructure or past services.

Competence of the Vendor:

5. Vendors having the facility of on-line monitoring of customers' calls and offering the customer facility to make local phone calls or through e-mail for registering the call or knowing its status will be preferred. Vendor should have a proper database system for monitoring all calls from all their clients through Call Escalation Matrix.

Suitable documentary proof to determine eligibility:

6. Suitable documents in proof for the conditions at 1 to 5 above shall be attached to the technical bids, in addition to **Annexures D to G**, failing which the bid will not be shortlisted for further process.

ANNEXURE - B

Conditions governing AMC

Opening of Tender Documents

1. The tender documents, soon after completion of the application period, will be opened in the presence of tender committee formed in this regard. In case where 'technical' bid of a vendor fails, the 'financial' bids will not be opened and may be returned to them as such. Financial bids shortlisted on the above conditions will be finalized soon thereafter. This office does not bind itself to accept the lowest tender and also reserves the right to (a) reject any quotation without assigning any reason whatsoever or (b) re-tendering afresh.

The date of opening of the tender is on 24.03.2021 (at 11 AM).

Rejection due to incomplete information or counter conditions:

2. Bids in which any of the furnished particulars and prescribed information of the vendor are inadequate or incomplete in any respect or in which counter-conditions by the vendor are imposed, are liable to be rejected.
3. This tender is not transferable and the successful bidder shall not request for or be allowed, on its own, to devolve or sub-contract or transfer the awarded contract to any other person/vendor either before or after commencement of the contract period.
4. Sub-contracting of the AMC is not allowed.

Attending to Breakdown & Preventive Maintenance:

5. The maintenance service by the company shall include break-down maintenance and quarterly preventive service of all UPS in various locations of this Commissionerate. The service engineers should be equipped with mobile phones to ensure their availability. Breakdown calls shall be attended and resolved as per schedule below;
 - a. Call attendance: Within 6 Hrs or if not same day by 6 p.m. (whichever is longer)
 - b. They should provide support from their respective local offices to our designated offices, the details of which are available in Annexure-F.

Preventive Maintenance service is to be carried out every three months for all UPS and peripherals detailed in the Annexure-E and the same shall include:

- a. Checking of functionality of all the UPS.
- b. Servicing and cleaning of all UPS, batteries and topping up the batteries with distilled water whenever necessary.
- c. Checking of power supply source for proper grounding and safety of equipment.
- d. Ensuring that the covers, screws, switches etc., are firmly fastened, in respect of each equipment.

Replacement of parts on time:

6. Where the parts/components have failed or damaged due to any reason, then replacement of those parts/components shall be replaced free of cost as per schedule above, failing which a standby system shall be provided. Such replacements shall be done in such a manner that the defective part shall not be removed unless the replacing part is ready on hand.

Quality of replacements:

7. Where any items/parts/components need replacement, the same shall be replaced with the same make, specification and brand of item / component / part. In case the brand / model has become obsolete, the same shall be replaced with equivalent or higher-end model of the faulty parts/components.

Identification of parts for free replacement and payable consumables against cost-free components:

8. If certain parts are treated as consumables not to be covered under AMC for free replacement, a list of such consumables shall be separately furnished in the bids (Annexure-H). This list as such will not be accepted by this office for replacement of parts on cost basis, but shall be modified on the basis of items commonly listed (trade practice) by all the vendors in their technical bid part and such commonly identified list will be treated as payable replacement parts.

Time limit for alternative:

9. Where the replacement of the entire UPS with a new one is found necessary, the replacement of the entire system shall be provided within 7 days from the date of the failure of the old system, subject to levy of penalty from the 3rd day. A standby system should be provided during this period to enable the continuity of the work and to avoid penalty.

Precautions against environmental / location problems:

10. During the power cut months, support should be bolstered with additional engineer and quick replacement of faulty components, if calls accumulate beyond normal pendency level. Poor maintenance during the power cut months shall entail penalty as specified in para 9 above.

Restoration: Time limit:

11. In all the cases of replacement of spares for UPS, replacements must be done within 24 hours.

Levy of penalty against delayed/failed call resolutions / restoration:

12. Penalty will be charged for every downtime of more than 24 hours in each case, provided that no penalty will be chargeable for the first 24 hours from the time of booking of calls/complaints or wherever an equivalent standby system has been provided after downtime expiry of the first 24 hrs.

13. If any particular UPS is found to be under repeated failures due to poor servicing or replacement with inferior parts or when troubleshooting is found to have been performed in piecemeal by the AMC Vendor, such instances will also be subject to levy of penalties. If such repetition occurs more than 3 times in a month causing an aggregate, such aggregate downtime for 7 days or more in each case will invite penalty.
14. The vendor shall be responsible for assisting the system-in-charge for scheduled back-up tasks/routines.
15. The AMC vendor should not tamper with the asset code already affixed on the equipments and ensure that asset code is always affixed on all systems under AMC and the same is quoted as reference.

Penalty Rates:

16. Penalty at the following rates per day or part thereof will be automatically deducted from the quarterly payable amount.

KVA WISE

15 KVA UPS	-	Rs.1000/-
10 KVA UPS	-	Rs.750/-
7.5 KVA UPS	-	Rs.600/-
5 KVA UPS	-	Rs.500/-
2 KVA UPS	-	Rs.200/-
1 KVA UPS	-	Rs.100/-

Period of the Contract:

17. This Maintenance Contract shall remain in force from **1st April 2021 to 31st March 2022** or **for less than 365 days**, subject to adherence to all conditions.
18. At the time of expiry of contract all the equipment under maintenance shall be handed over in working condition. The vendor shall provide services for at least 15 working days from the date of expiry of the contract for smooth transfer of the AMC to the new contractor without any extra cost.

Payment of AMC Charges Schedule:

19. The AMC charges will be paid quarterly, after satisfactory completion of each quarter. No demands for revision of rates on any account shall be entertained during or after the contract period. Any penalty liable to be paid will be deducted at the time of payment of quarterly charges.

Logistics & mobility of engineer:

20. Qualified and Skilled Engineer must be deployed to all the calls from all the offices / formations of Coimbatore Central Excise Commissionerate during the business / office hours, from all the offices / formations of Coimbatore Central Excise Commissionerate; the service engineer will have to arrange for the quick conveyance between the problem sites, without depending on public transport and the customer will not pay any allowances towards such out-door work.
21. For remote locations including the offices at Annur, Kuniyamuthur, Palladam, Periyanaickanpalayam, Pollachi, Kurichi, Sulur, Tirupur, Coonoor, Ooty, Gudalur, and Karamadai qualified engineers of the vendor from the respective local stations shall attend and resolve the calls as per the terms.
22. The Service Engineers should maintain a call log register at the customer's site and such registers have to be produced to the System-in-charge, as and when required.

Deletions from Additions/Deletions to hardware list & Costing as per Configuration & list Provision of RE:

23. If any UPS is disposed off during the period of Maintenance Contract for some valuable reasons, the proportionate charges will be deducted from the quarterly amount. If charges have been paid before the disposal of the system, then the proportionate amount will be adjusted against the charges payable on remaining machines. To facilitate correct evaluation of the cost of such additions or deletions at a later date, the cost and the rates for each type of UPS (as per Annexure-E) may be shown separately in the financial bid.

Additions to Contracted List and Quotation of costs:

24. Cost shall be quoted for each type, brand and capacity of the UPS and also as aggregate total of all the UPS put together based on the list of machines, so that any new items (for e.g. new machines for which original warranty expires in the middle of the AMC contract period) can be included additionally during the period of contract; in such cases, pro- rata amount calculated on the basis of the AMC charges for similar item

shall be payable for part of the year. Further break up like taxes, etc. should also be shown. The amount of AMC should be inclusive of GST and all other taxes.

Proof of eligibility for applying for tender

25. The vendor shall, at the time of applying for the tender, provide suitable records in proof of their eligibility as against Annexure - A, C, D & G, and will also declare that any of their contracts had not been terminated by any customer before the contract's expiry of its full term in any of the previous year or current year.
26. Copies of Income Tax and Sales Tax clearance certificate for latest year of assessment should be provided for verification.

Dispute Resolution:

27. Whenever during the period of the Maintenance Contract, the service of the company is found to be not satisfactory or if the company is found violating any of the conditions governing the Maintenance Contract, this office has the right to terminate the contract immediately without any compensation. However, before such termination, disputes relating to the service by the vendor arising out of the implementation of the contract during its term will be resolved by way of discussion at customer's site, between the Addl. Commissioner or Commissioner representing the customer side and the Sr. Manager of AMC agency representing the vendor side; no third party agency will be allowed to negotiate. If no resolution could be reached, then the contract will be terminated in favour of the customer, viz. Central Excise Dept., in all respects.

Deductions of Taxes:

28. Any tax payable by the vendor towards the contract but is liable for deduction at source and payment by the customer on account of existing statutes, rules, etc. applicable to the vendor, may be deducted at source and only the remaining amount will be paid to the vendor. Hence, the vendor shall provide in the technical bid, the details of registrations obtained by him, like GST, Income Tax, etc..

29. Other Requirements:
